

We are thrilled to introduce a local non-profit organization, **O'Fallon Neighbors!**

We are a group of community members and business partners united by a shared desire to give back and support those in need within our community.

Our mission is to provide financial assistance to individuals and families in need within the O'Fallon-Shiloh community, specifically in OTHS District 203.

Whether it's for short-term financial assistance or unexpected costs related to medical issues, we are here to help ease the financial burden.

How does it work?

Do you know a family or individual living in OTHS District 203 who has experienced a recent family, financial or medical crisis and could use our help? If so, please visit www.ofallonneighbors.org and nominate them for assistance.

Once a nomination is received, a member of our board will contact both the nominator and the nominee to verify the need and discuss next steps. We value the privacy of those seeking help in our community, and all information is confidential unless agreed upon.

How can I help?

Our nonprofit operates primarily through donations from the community and local business partners. Donations can be made through the donation page on our website. Every contribution helps us support more families in need within our community.

As a new organization, we are in the process of building our support network and have already started receiving nominations. Our impact will grow as more community members get involved and as we build partnerships with local businesses. Stay tuned for information on neighbors we've helped thanks to the generosity of our community.

O'Fallon Neighbors is a registered 501(c)(3) nonprofit organization.
